REPORT OF LIBRARY TRUSTEES

During the past year all those connected with the Library: the Librarians, members of the Book Committee, members of the Reading Committee and the Trustees have continued their efforts to make good books available to the Town.

The Assistant State Librarian met with the Trustees in the fall and told them that the State was very pleased with the work being done by your Library. This report, the Trustees feel, is most gratifying.

Respectfully submitted,

E. EMMONS SANBORN,

Secretary

During the year of 1956 we have been called out of town on three occasions and have had outside help several times at no extra cost to the town because of Mutual Aid.

At the Starvish fire Exeter, Hampton and Seabrook sent trucks and men. At the Burwell fire Exeter was called before we were and had the fire under control. At the Mercier fire Hampton Tank truck protected the Elton orchard. At the Great Hill fire Hampton Tank truck responded and at Whittemore fire Hampton Pumper set up at the swimming pool.

We of the Hampton Falls Volunteer Fire Department wish to thank all of the men and departments who have helped us in any way and we are ready to help them in any way possible.

**REPORT OF LADIES' AUXILIARY OF THE
HAMPTON FALLS VOLUNTEER FIRE DEPT.**

The Ladies' Auxiliary of the Hampton Falls Fire Department is pleased to report that we have had another very successful year. We wish to thank the citizens of the town for their generosity in contributing to our various projects, food sales, whist parties, etc. The Auxiliary sold Christmas Cards to earn money and we are saving coupons to get new silverware to be used at the fire station. During the course of the year we have purchased the following equipment for the fire department; 200 ft. of hose amounting to \$200.00 and 12 new chairs amounting to \$44.25. We also paid for last installment of heat in the Fire Station which came to \$76.00. We have bought other items to improve the fire station, such as coffee maker, pitchers, silverware, etc. We would be happy to welcome new members to our organization at any time. We meet the first Monday of each month usually at the Fire Station, however there is always an announcement in the Hampton Union.

School Report

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Hampton Falls qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March, 1957, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, of Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

10. To see if the District will vote to participate with such other School Districts in Supervisory Union No. 21 as may also so vote in the formation of a special class for children of intellectually retarded development, and to raise and appropriate the sum of Four Hundred One and 65/100 Dollars (\$401.65) for the share of the expense of the Hampton Falls School District therein.

11. To see if the District will vote to raise and appropriate, in addition to the original appropriation of \$55,075.08 for 1956-1957, a sum of \$3,200.00 to make a total appropriation for 1956-1957 of \$58,275.08, and to authorize the application against this appropriation of \$1,700.00 already received or to be received on account of Federal Aid, the balance of \$1,500.0 to be made available to the School District by the Selectmen prior to July 1, 1957, in order to meet anticipated obligations caused by the need for an additional teacher and additional expenses for tuition and transportation.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Hampton Falls this 21st day of February, 1957.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Hampton Falls School District:

It is a pleasure to submit my first annual report as superintendent of schools. I was conscious that I was assuming a heavy responsibility when I accepted the superintendency of Union No. 21. This school union is one of the largest and most vigorous school organizations in New England. It was apparent to me that if one were to meet the demands of administrative duties in this union, it would be necessary that full cooperation be given by all school personnel and by the citizens of the school districts. I am happy to be able to say that since I took office on December 1, 1956 such has been the case.

My predecessor, Roy W. Gillmore, during October and November gave me the full benefit of his twenty-six years of experience in this Union. Your School Board has offered me unstinted assistance and support. I trust that the people of the district appreciate the sacrifices of time and energy made by the members of the Board. The Union Office staff has worked and continues to work beyond regular requirements to meet the needs of the school. Miss Edith Hammond, my Executive Assistant, renders invaluable help in freeing me from many administrative problems. Mr. Sherman A. Lovering, the Helping Teacher, continues to carry an increasing responsibility for efficiency in instruction.

Enrollments in Hampton Falls are such that we can continue next year without altering our grade organization. Adequate instruction can be offered by the principal and teachers under the present arrangement. When the time comes to enlarge the school, ample space is available for construction.

The budget for next year is conservative. Annual salary increments are provided or; and, in addition, sufficient funds are included to make replacements if any prove to be needed. The program in Music and Art which are of great value to children will be continued.

Better provision for nursing service is required. Mrs. Mansourian is now working in five school districts with a pupil enrollment of almost 1300. This is an impossible load and far above state standards which call for a pupil load between 500 and 700 for a school nurse. During the coming year her work will be confined to North Hampton and Rye. A new qualified school nurse will be hired for Hampton Falls, South Hampton and Seabrook.

An unavoidable increase in tuition costs causes a major increase in the budget. Higher charges in Exeter and Hampton reflect the increased costs of education in this rapidly growing area of the state. It should be noted, however, that Junior High charges in Hampton are reduced for the coming year. This helps to offset the increase in high school costs.

A special Warrant Article will be offered to provide funds for the establishment of a special class for children with learning handicaps. This class will be located in the North Hampton Elementary School since space can be provided there at least for next year and since this is a location central with respect to the seven school districts of the union. Hampton Falls would share in the support of this class and would be entitled to send a number of pupils proportionate to its share.

In all districts we have pupils who need the special curriculum and special instruction that can be furnished in such classes. More than one such class is needed in a union of this size. I look forward to recommending a

second class for the following year so that children can be served in two locations. It seemed wise to begin with one class and, after a year's experience, to expand to two classes later.

It must be clearly understood that this recommendation stands as a local decision. We have agreed to participate in a state study of the best ways of organizing such classes within school unions. This study will deal largely with identification of pupils needing the instruction and organization and administration of the class. Funds for this study will be provided by the Huntley Spaulding Fund. With the assistance of Mr. Lovering I will supervise the personnel conducting the study.

The important point is that the class will not be established for purposes of the state study. Children need such classes and this instruction is routinely provided in other school systems. Whether or not the state study existed I would propose that such a class or classes be a part of our school system.

The unanimous decision of the Special District meeting of January 18, 1957 to join your neighbors in Hampton, North Hampton and Seabrook in petitioning the State Board of Education for permission to form a cooperative secondary school district was a wise first step. As you know, the State Board voted to grant this permission. The organization meeting for the purpose of forming the district, electing a school committee, and adopting a budget sufficient to secure architectural services and provide for administrative costs will take place in late March.

A high school supported by a cooperative district would seem to be the most efficient and economical solution to the problem we face in educating our high school

youth. I feel we can establish a school which will offer a superior kind of program. I am sure too, that experience will show that the interests of each district can be adequately protected within the framework of the new cooperative district.

In conclusion, may I again extend to the School Board and the citizens of the District my appreciation for the kind welcome you have given me and for your generous cooperation. During the next year it is my hope to be able to extend my services to the district.

Respectfully submitted,

EDWARD CHANDLER MANNING

Superintendent

REPORT OF THE SCHOOL NURSE

As school nurse, I have visited the Lincoln Akerman School one morning each school week.

Routine check ups are done on every pupil. These consist of weighing and measuring, checking tonsils, teeth, hair, skin and posture each year.

Vision testing is done annually on all children with the Snellen "E" chart.

Hearing tests are done every two years. During the past year two pupils were found to have hearing problems which I'm happy to say have been corrected.

Dr. Bailey, school physician, examined eighty-three pupils and a few minor defects were found and were reported to parents.

Polio clinics were held last June and again in December. At the time of the last clinic, the age range for the Salk vaccine was six months through 19 years. A total of ninety-two persons were given shots at the clinics, thirty-three in June and fifty-nine in December. Many thanks to all who aided me in preparing for and assisting at these clinics.

Home contacts are made when necessary. A total of 55 were made during last year.

Respectfully submitted,

JESSIE MANSOURIAN, R. N.
